

QUALITY POLICY STATEMENT

Adriatic 42 Yard is a regional leader and destination of choice committed to provide Yacht Repair and Services that meet or exceed customer expectations.

We add value to customer requirements through our capabilities and efficiency in our established processes, whilst maximising the returns to our stakeholders.

We promote excellence within our organization by setting SMART objectives that are aligned with our Vision, Mission and Values.

Our Commitments:

- Adapt new technologies to improve efficiency and customer experience of the highest quality.
- Effective communication within and between the Departments and interested parties to ensure compliance to all applicable requirements.
- Creating a positive work environment and organizational culture that fosters employee motivation, engagement and capability development.
- Enhance our business performance and Quality Management System through innovative thinking and continual improvements.
